

NOTICE

SJVCC 5 Stand

The 5 Stand is open from November until the end of the Winter League in April.

We have 9 target presentations including standard targets incoming, outgoing from the ground and overhead, crossing targets standard, rabbit and battue, and a teal shooting 50 feet straight up in the air.

Something for all skill levels from beginner to expert. If you would like coaching/training we are more than happy to help you become the best clays shooter you can be. 5 Stand can also be one of the best bird hunting practices you will find.

AND we have prizes for 25 straight!

Tom Spencer, Director
